Dear Denis

**St Catherine's School – Difference Day – Co Wicklow – 24<sup>th</sup> September 2010**

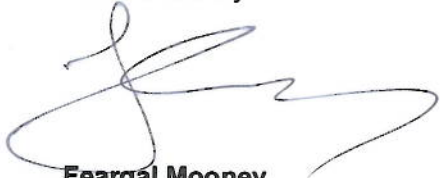

Thank you for another hugely rewarding and enjoyable day at St Catherine's School last month. The day was extremely well organised, the atmosphere fantastic and the staff enjoyed themselves enormously.

We had the benefit of interacting with the children but also building the playground which they can enjoy for years to come.

We realise a huge amount of time and effort went into organising such a large scale operation and the event would not have been possible without your personal energy and enthusiasm that is present every time we work with you.

Thanks you again for a great day.

Yours sincerely
