Dear Denis,

I would like to sincerely thank you and your team for co-ordinating the volunteers day here at St. Joseph's last Thursday and enclose a copy of the letter sent to the CEO of Daft Media Ltd for your kind attention.

I also want to acknowledge the amount of work you and your team did and recognise the effort put in by everyone involved. Gerry said it was a pleasure to work with you Denis and spoke highly of the professionalism and enthusiasm you showed for this project. That really makes a difference to us but more importantly to our young students who are visually impaired.

I am hopeful that we can work together again and please remember that you, your colleagues or anyone you feel may be able to help us are always most welcome.

Thank you again.
Yours sincerely,

Brian Allen
