Re: Sunbeam House - Difference Day - 2nd September 2011

Dear Denis

Thank you for organising the Hostelworld.com Company Day out at Sunbeam House on Friday 2nd September 2011. The day was extremely well organised, a brilliant success and was enjoyed by all.

It was wonderful to have had the opportunity of interacting with the adults of Sunbeam House while we also took on three challenging projects:-

1. Building an All Weather outside court that can be used for football, basketball etc
2. Painting and renovating the Gym with a new rock climbing wall, new mirrors and new flooring
3. Creating and building an outside leisure area which included a new deck, new summer house and new furniture – basically we built everything!

A huge amount of time went into organising a project of this scale and it was great to have your knowledge and expertise on the day. Not to mention your enthusiasm!

Thank you again for a great day.

Yours sincerely,

Feargal Mooney
CEO
