07 September 2011

Dear Denis

I would like to extend our sincere gratitude for the work that was organized by yourself and undertaken by Hostelworld on Friday last.

This 'Difference Day' will make a huge difference to our service users who have an interest in sport, and to those who like to sit in comfort and watch. Those who aspire towards fitness will get great value from the all-weather basketball and soccer court and the newly refurbished gym. Those of us who are less inclined towards such active pursuits will really enjoy the decked garden and planted area that now graces the back of our Centre at Cedar Estate.

Please pass on our gratitude to all the folks at Hostelworld who worked so hard on the day. I hope their party at Kilruddery went well and that they had a well-deserved and enjoyable evening.

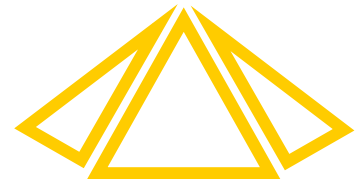

With sincere thanks

Yours sincerely
