Dear Denis

Many thanks for the all the hard work that you and your team put into making Ulster Bank's Difference Day with St. Michael's House such a great success. Having almost 100 volunteers from the Bank spend a day getting our gardens in order, painting fences and outside areas has made a real difference to service users. As you know many of the gardens had become quite overgrown and were difficult to access.

I enclose a disk of photographs of the volunteers in action on the day and some of the many improvements that they made.

We look forward to working with you in the future and would be delighted to recommend Difference Days to other charities or companies.

Yours sincerely
